INSIGHT · NOV 2026

New Rails for a New System.

One does not simply build a New System and keep using old stuff.
The Money Pillar, rebuilt on blockchain.

THE VISUAL · THE MONEY PILLAR

Every layer, rebuilt.

The legacy infrastructure is out, the incumbents are no longer safe.

OCT 29, 2026

Connect the dots.

ICE · OWNER OF THE NYSE

Building markets on Hyperliquid.

Equities, commodities, FX, crypto. 24/7.

STAN DRUCKENMILLER

His first-ever post on X.

An investor in trade[xyz].

ELON MUSK

One word: 'Interesting.'

He rarely focuses on this area.

They are telling you
this is all happening.

Who sits on the board.

→ **Bob Diamond**

Chair. Former CEO of Barclays.

→ **Eric Rosengren**

Former Boston Fed President. FOMC voter.

→ **Thomas King**

Former CEO, Barclays Investment Banking.

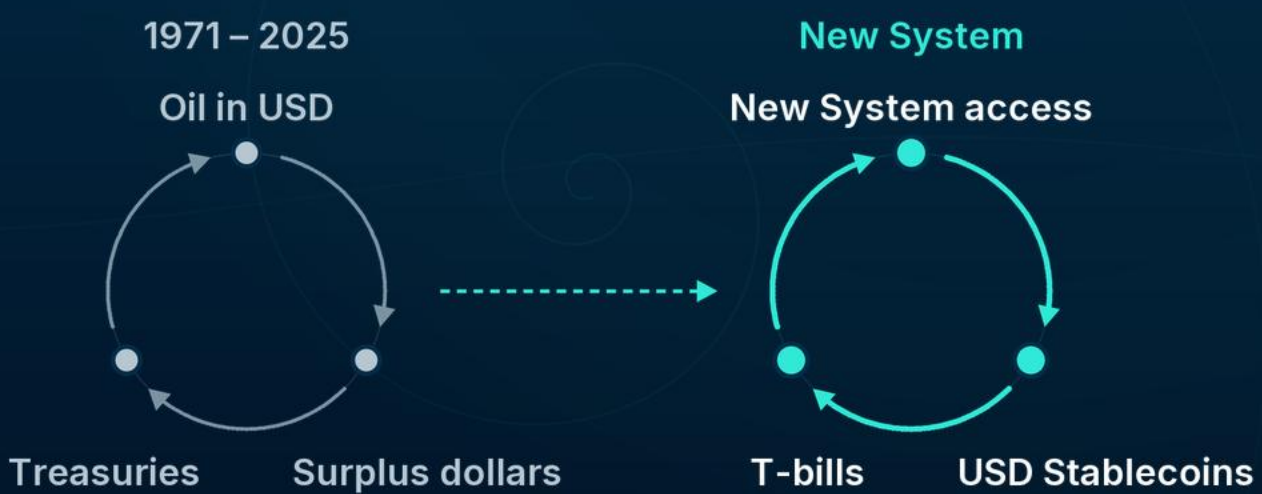

→ **Larry Leibowitz**

Former COO, NYSE Euronext (ICE, 2013).

You can do the math.

THE NETWORK IS THE FUNDING

The loop, re-wired.

Want to be part of the New System?
You have to use USD stablecoins.

PHASE 1 · JUN 22 – OCT 30, 2026

Topping is a process.

Phase 1 peaked in mid-June.

This is what an early unwind looks like.

Hikes feed the concentration.

$1.22T federal interest bill.

2.2x since FY2021.

US Treasury Fiscal Data, FY2021 – FY2025.

From the concentration in the market to the K-shape society.

The bridge, then the stake.

THE BRIDGE

The $5K check, claimed on-chain.

Means tested. Likely 2Q 2027.

THE FUNDING

Every stablecoin needs a bill.

The response helps fund itself.

THE STAKE

Trump Accounts, ~$8B today.

Not even a rounding error. The infra for later.

Giving the young a stake in the New System.

KEEP THIS MAP

What to watch.

→ **The rails**

CFTC approval for ICE[XYZ]. NYSE tokenized.

→ **The network**

Stablecoin supply, and who holds the bills.

→ **The unwind**

Phase 1, and the index vs. equal weight.

→ **The bridge**

The crisis response, and how it is issued.

Context is King, Sequencing is Queen.
